TO-DO MVP Project D... Sp... ✕	

Summary:

User cannot add description to an existing active task

Environment:

POCO X5 Pro 5G

MIUI Global 14.0.3

Android 13 TKQ1.221114.001

Steps to reproduce:

1. Tap on the active task

2. Tap the pen button

3. Type 'test' in the 'Enter your TO-DO here.' placeholder

4. Tap the checkmark button

Expected result:

Homescreen is opened, active task has description 'test' under the title

Actual result:

Homescreen is opened, active task's description is empty
