⭐ Task filter: all tasks are displayed after tapping "Active" button in doner menu

Environment:

POCO X5 Pro 5G

MIUI Global 14.0.3

Android 13 TKQ1.221114.001

Steps to reproduce:

1. Tap on tasks 'wash the dishes' and 'water the plants''

2. Tap kebab menu button

3. Tap 'Active' button

Expected result:

Only active tasks are displayed on the homescreen

Actual result:

All tasks are displayed on the homescreen
